9. Research Interests

My main research interests are family businesses and corporate governance, with a focus on board of directors, governance structures and mechanisms.

Other my research interests are the strategy formulation process, the role of models in decisional processes and public governance.

10. Teaching Interests

I have been teaching mostly organizational design, organizational behavior, people management, family business, business administration, competitive strategy, international strategy, information systems – usually in Italian, but also in English - at University of Rome Tor Vergata and at Bocconi University. Moreover, I have been teaching competitive strategy, business planning, and organizational behavior in various master and executive classes at University of Rome Tor Vergata and SDA Bocconi School of Management.
