

CURRICULUM VITAE (SCIENTIFIC PROFILE)

Personal information:

Surname: **Triggianese**
First Name: **Paola**
Date of birth: May 26, 1983
Nationality: Italian
Home address: 27, Via degli Archetti di Torrenova 00133 Rome, Italy
Telephone(s): Home: +39-06-64832730
Mobile: +39-338-8299845
E-mail: triggianese@med.uniroma2.it

Position: Research Assistant at the Division of Rheumatology, Allergology and Clinical Immunology, Department of “Medicina dei Sistemi”, University of Rome Tor Vergata, Italy

Degrees:

- MsC in “Clinical Problem Solving in *Reumatologia*”, Rome, Italy, January 11, 2017.
- Ph.D. in Doctoral Course: “Medicina Sperimentale e dei Sistemi” (Experimental and Clinical Pathophysiology), Department “Medicina dei Sistemi”, University of Rome Tor Vergata (Rome, Italy) [XXVIII, A.A. 2012/2015], with highest marks (*summa cum laude*), University of Rome Tor Vergata (Rome, Italy), January 11, 2016.
- Winner of a 1 year-scholarship to complete the post-lauream education on the seronegative arthropathies (“*Studio interdisciplinare dei pazienti affetti da artrite sieronegativa*”), at the Rheumatology, Allergology and Clinical Immunology Division (Department of “Medicina dei Sistemi”), prof. Roberto Perricone, University of Rome Tor Vergata (Rome, Italy), January 29, 2015.
- Board Certification in Allergy and Clinical Immunology with highest marks (*50/50 cum laude*), University of Naples Federico II (Naples, Italy), October 30, 2012.
- School of Medicine degree with highest marks (*summa cum laude*), University of Naples Federico II (Naples, Italy), July 19, 2007.

International Grant:

- June 2013: Award for abstract presentation at the Clinical Immunology Session during the EAACI-WAO Congress 2013
Abstract title: *NK cells and thyroid disorders in women with reproductive failures*
22-26 June 2013, Milan, Italy
- August-October 2007: Visiting Fellow
Division of Allergy and Clinical Immunology
Asthma & Allergy Center
Johns Hopkins University
Baltimore, U.S.A.
Tutor: Prof. Vincenzo Casolaro

Laboratory Research:

- **October 2013-December 2015**
Fellowship at the laboratory research of the Department of “Medicina dei Sistemi”
University of Rome Tor Vergata, Rome, Italy.
Supervisors: G. Monteleone, MD, Professor, and I. Monteleone, MD, PhD
- **August-October 2007**
Fellowship at the laboratory research of the Division of Allergy and Clinical Immunology
Asthma & Allergy Center
Johns Hopkins University, Baltimore, U.S.A.
Tutor: V. Casolaro, MD, Professor
- **January 2006-July 2007**
Fellowship at the laboratory research of the Department of Cellular and Molecular Biology
and Pathology
University of Naples Federico II, Naples, Italy
Tutor: L. Racioppi, MD, Professor

Education and training:

- **January 2017**
Master 2nd level “Clinical Problem Solving in *Reumatologia*” January 11, 2017.
Experimental thesis in Rheumatology:
Title: “The interplay between Complement System and IL-6 in Rheumatoid Arthritis”.
Supervisor: Prof. Serena Bugatti (University of Pavia)
- **March 2016**
Educational Course “Portrait. Rheumatoid Arthritis: the importance of identifying patients types. The Italian experience.” University of Rome Tor Vergata, Rome (Italy), 14 March, 2016.
- **January 2016**
Ph.D. in Doctoral Course: “Medicina Sperimentale e dei Sistemi” (Experimental and Clinical Pathophysiology), Department “Medicina dei Sistemi”, University of Rome Tor Vergata (Rome, Italy), with highest marks (*summa cum laude*), January 11, 2016.
Experimental thesis in Rheumatology and Clinical Immunology:
Title: “Innate Lymphoid Cells: A potential innate functional equivalent of adaptive cells in Infertility and Inflammatory Arthropathies”.
Supervisor: Prof. Roberto Perricone
- **December 2015**
Educational Course: “*Dai primi sintomi ai nuovi paradigmi terapeutici: il percorso del paziente con artrite psoriasica*”, Milan (Italy), 3-4 december, 2015.
- **February 2015**
Good Clinical Practice training meeting “Minum Criteria for ICH E6 GCP Investigator Site Personnel Training”, TransCelerate BioPharma
Good Clinical Practice (Investigator Version), version #1.0 on 10 FEB 2015
- **January 2015**
Winner of a 1 year-scholarship to complete the post-lauream education on the seronegative arthropathies (“*Studio interdisciplinare dei pazienti affetti da artrite sieronegativa*”), at the

Rheumatology, Allergology and Clinical Immunology Division (Department of “Medicina dei Sistemi”), prof. Roberto Perricone, University of Rome Tor Vergata (Rome, Italy), January 29, 2015.

- **October 2013-December 2015**

Fellowship at the laboratory research of the Department of “Medicina dei Sistemi”
University of Rome Tor Vergata, Rome, Italy.
Supervisors: G. Monteleone, MD, Professor, and I. Monteleone, MD, PhD

- **November 2012**

Admission to Ph.D. Doctoral Course: “Medicina Sperimentale e dei Sistemi”
Department of “Medicina dei Sistemi” [XXVIII, A.A. 2012/2015]
University of Rome Tor Vergata, Rome, Italy

- **October 30, 2012**

Board Certification in Allergy and Clinical Immunology with highest marks (*50/50 cum laude*), University of Naples Federico II, Naples, Italy
Experimental degree thesis in Allergy and Clinical Immunology
Title (italian): “*Ruolo delle cellule NK e della tiroide nell’infertilità primaria e secondaria*”
Title (english): “*Role of NK cells and thyroid disorders in primary and secondary infertility*”
Supervisors: Prof. Arturo Genovese, Prof. Roberto Perricone

- **October 2011-October 2012**

Visiting Fellow
Division of Allergy and Clinical Immunology, Rheumatology, Department of “Medicina dei Sistemi”, University of Rome Tor Vergata, Rome, Italy
Tutor: Prof Roberto Perricone

Visiting Fellow

Division of Gynaecology and Obstetrics II, “Azienda Ospedaliera San Giovanni-Addolorata”, Rome, Italy
Tutor: Prof.ssa Caterina De Carolis
to performe the study “Role of NK cells and thyroid disorders in primary and secondary infertility”

- **July 2011**

SIAIC Summer School: “Immunodeficienze e malattie immuno-mediate”
University of Naples Federico II
Nusco (AV), Italy, July 6-9, 2011

- **April 2011**

Medical School “Dalle basi immunologiche all’immunoterapia”
Unit of Allergy and Clinical Immunology, Department of Medicine
ASL/SA3, General Hospital of Agropoli, Salerno, Italy
April 28-29, 2011

- **July 2010:**

SIAIC Summer School: “Immunodeficienze e malattie immuno-mediate”
University of Naples Federico II
Nusco (AV), Italy, July 7-10, 2010

- **June 2010:**
Medical School “Corso educativo: le immunodeficienze primitive”
(medical education and training for Primary Immunodeficiencies)
Jeffrey Modell Centre, “Sapienza Università di Roma”, Rome, Italy, June 23, 2010
- **March 2008:**
Admission to the Specialization Medical School of Allergy and Clinical Immunology,
University of Naples Federico II, Naples, Italy
Registration at “Ordine dei Medici Chirurghi” (Italian Medical Association)
- **February 2008:**
License to Practice Medicine and Surgery in all countries of the E.U.
- **July 2007:**
School of Medicine Degree with highest marks (*summa cum laude*)
University of Naples Federico II, Naples, Italy
Experimental degree thesis in Allergy and Clinical Immunology
Title (italian): “Le cellule T regolatorie nell’Immunodeficienza Comune Variabile”
Title (english): T regulatory cells in CVID patients
Supervisor: Prof. Arturo Genovese, Prof. Gianni Marone
- **2004-2007:**
Visitor at Division of Allergy and Clinical Immunology, School of Medicine
University of Naples Federico II, Naples, Italy
Tutor: Prof Gianni Marone
- **September 2001- July 2007:**
Student of the School of Medicine
University of Naples Federico II, Naples, Italy
