Date	March, 2014
Title	The social network analysis in the port sector: evolutionary scenarios toward a “smart” port governance
Institution	University of Udine, Italy
Conference/seminar	<b>Presenter at the 2014 Workshop of professors and researchers of Organization Studies (WOA) – Track “Entrepreneurship, governance and organizational change”</b>
Date	March, 2014
Title	The public service motivation of health care professionals operating in penal institutions: insights from an empirical research
Institution	University of Udine, Italy
Conference/seminar	<b>Presenter at the Bicentenary Conference of the Italian Academy of Business Economics (AIDEA) – Track 1 “Economia Aziendale: its role at the service of economic and social development”</b>
Date	September, 2013
Title	Co-production of health protection and promotion: new models of care in penitentiary care
Institution	University of Salento, Lecce, Italy
Conference/seminar	<b>Presenter at the 13<sup>th</sup> Annual Conference of the European Academy of Management (EURAM) “Democratising management”</b>
Date	June, 2013
Title	Toward a new conceptualization of health care services. public national health service as a common pool of resources
Institution	Galatasaray University, Istanbul, Turkey

Conference/seminar	<b>Presenter at the 2013 Workshop of professors and researchers of Organization Studies (WOA) “Organizing in turbulent times: the challenges ahead”</b>
Date	May, 2013
Title	Promotion of care in prisons: From cure to the empowerment of patients
Institution	University “La Sapienza” of Rome, Rome, Italy
Conference/seminar	<b>Presenter at the 17<sup>th</sup> Annual Conference of IRSPM “Public sector responses to global crisis. New challenges for politics and public management”</b>
Date	April, 2013
Title	New approaches to penitentiary health care. The outcomes of the legislative reforms in Italy
Institution	Masaryk University, Prague, Czech Republic
Conference/seminar	<b>Presenter at the 35<sup>th</sup> Annual Conference of the Italian Academy of Management “Management beyond boundaries - Management studies: tradition and emerging paradigms”</b>
Date	October, 2012
Title	Towards a New Health Governance: Strategy and management innovation in health planning
Institution	University of Salerno, Salerno, Italy
<b>Awards and Scientific Acknowledgements</b>	
Award	<b>Best paper award for the paper ““Turnà a Ndomà” When public service co-production meets territorial identity”, presented at the 21<sup>th</sup> “Excellence in Services” International Conference, Paris, France</b>
Dates	December, 2018
Institution	Le Cnam, Paris, France
Award	<b>Best paper award for the paper “Bullied and bounced: an investigation of school bullying aftermaths among pupils with migrant background”, presented at the 21<sup>th</sup> “Excellence in Services” International Conference, Paris, France</b>
Dates	December, 2018
Institution	Le Cnam, Paris, France
Award	<b>Best paper award for the paper “Realizing excellence in health care: the relationship between health literacy, self-efficacy, awareness and health services’ use”, presented at the 20<sup>th</sup> “Excellence in Services” International Conference, Verona, Italy</b>
Dates	August, 2018
Institution	University of Verona, Italy
Award	<b>2017 TQM Journal Literati Award for Outstanding Paper for the article entitled “Improving health care quality: the implementation of whistleblowing”</b>
Dates	June, 2018
Institution	TQM Journal and Emerald Publishing, Bigley, UK
Award	<b>Best paper award for the paper entitled “Resilience by decree: exploring the gap between the desiderata and the reality of prison health care”, presented at the 2018 WOA “The resilient organization: design, change and innovation in the globalized economy”, Roma, Italia</b>
Dates	February, 2018
Institution	Italian Association of Organization Studies (ASSIOA) and High School of Economics and Management of Health Systems (ALTEMS) Sacred Heart University of Rome

Award	<b>Inclusion of the paper entitled “Education level and income attainment inequalities: an ecosystem perspective” in the Special Issue published on Total Quality Management Journal, which collects the best papers presented at the 20<sup>th</sup> “Excellence in Services” International Conference, Verona, Italy</b>
Dates	September, 2017
Institution	University of Verona, Italy
Award	<b>Best paper award for the article entitled “Empowering patients by empowering health care organizations: a comparative study”, presented during the 19<sup>th</sup> Toulon Verona Conference “Excellence in Services”, Huelva, Spain</b>
Dates	January 2017
Institution	University of Huelva, Campus El Carmen, Avenida de las Fuerzas Armadas, Huelva (Spain)
Award	<b>Best reviewer award for The TQM Journal in the year 2017</b>
Dates	January 2017
Institution	Emerald publisher, Bingley, UK
Award	<b>Inclusion of the paper “Contextualizing co-production of health care: a systematic literature review” amongst the article with the highest number of citations published in the “International Journal of Public Sector Management”</b>
Dates	December, 2018
Institution	Emerald Publishing, Bingley, UK
Award	<b>Inclusion of the paper “Designing health-literate health care organization: A literature review” amongst the article with the highest number of citations published in “Health Services Management Research”</b>
Dates	December, 2017
Institution	Sage Publishing, New Delhi, India
Award	<b>Publication of the Ph.D. Thesis entitled “L’imperativo della collaborazione” in the Collection “Opera Prima” by the publisher “Rirea”, gathering the best thesis discussed by Italian Scholar</b>
Dates	October, 2014
Institution	RIREA – Leading editor in the field of Management in Italy
Award	<b>Inclusion among the best papers presented by young Italian scholars during the 35<sup>th</sup> Annual Conference of the Italian Association of Business Economics (AIDEA) “Management beyond boundaries - Management studies: tradition and emerging paradigms”</b>
Dates	October, 2012
Institution	University of Salerno
<b>Institutional awards</b>	
March, 2017	Licensed to perform the activities of Associate Professor – Second Layer Professor In the Scientific Area “Organization Studies” SECS-P/10, 13-B3 (ASN 2016/2017) by ANVUR
June, 2016	Enrolled in the roster of Expert and Collaborators of the National Agency for Health Care Services in the following areas: Management; Managerial Training; Research and International relations
July, 2016	Member of EGOS (European Group for Organizational Studies), one of the leading academic network in the field of organization studies
January, 2015	Member of ASSIOA (Associazione Italiana di Organizzazione Aziendale), leading Italian network of researchers in the field of organization studies
January, 2013	Member of EURAM (European Academy of Management), the leading European academy network in the field of management

January, 2012	Member of IRSPM (International Research Society for Public Management), one of the most relevant academic and practitioners' association in the field of public management
<b>Membership in academic research groups</b>	
Research group	<b>A recipe to make organizations resilient and sustainable: a transdisciplinary research</b>
Date	January, 2019 – August, 2019
Keywords	Resilience; Sustainability; Inter-organizational relationships
Institution	Interdepartmental Centre for the Research in Economics, Management and Law of Public Sector Organizations (CIRPA), University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Towards a reconceptualization of organizational decision making: a critical analysis and evolutionary perspectives</b>
Date	January, 2019 – August, 2019
Keywords	Decision making; Complexity management; Leadership
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Big Data Challenges in Industry 4.0</b>
Date	January, 2019 – August, 2019
Keywords	Industry 4.0; Organizational Innovation; Virtual organizations
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Diversity management: Roles and organizational perspectives</b>
Date	January, 2019 – August, 2019
Keywords	Diversity management; Organizational ethics; Organizational justice
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Complexity in act: a conceptual and empirical analysis to implement complexity management in the public sector</b>
Date	January, 2017 – August, 2019
Keywords	Complexity management; Ambidextrous organizations; Learning organizations
Institution	Interdepartmental Centre for the Research in Economics, Management and Law of Public Sector Organizations (CIRPA), University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Lead to change: the leader role in processes of organizational change</b>
Date	January, 2017 – August, 2019
Keywords	Leadership; Change management; Organizational change
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Analysis of costs related to lack of safety in health care organizations and process reengineering</b>
Date	January, 2016 – December, 2017
Keywords	Business process analysis and reengineering
Institution	Interdepartmental Centre for the Research in Economics, Management and Law of Public Sector Organizations (CIRPA), University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy

Research group	<b>The role of Service Dominant Logic in health care. Conceptual and empirical insights</b>
Date	January, 2016 – January, 2018
Keywords	Service dominant logic; Value co-creation; Service co-production
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Economics, Law and Management from the complexity perspective</b>
Date	January, 2016 – January, 2018
Keywords	Complexity management; Public governance; Innovation
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Complexity Management and Agile Leadership. An organizational framework</b>
Date	January, 2016 – January, 2018
Keywords	Complexity management; Agile leadership; Lean management
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Configuration, Organization and Knowledge Management in institutions</b>
Date	January, 2016 – January, 2018
Keywords	Knowledge management; Organizational learning; Change management
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Organizational Ethics and Complexity Science: Research of a mix between humanization and managerialization</b>
Date	January, 2015 – January, 2017
Keywords	Organizational ethics; Management ethics; Inter-organizational relationships
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Organizational process analysis in a perspective of reengineering: the merge of Activity Based Costing and Business Process Management</b>
Date	January, 2015 – January, 2017
Keywords	Organizational change; Activity based costing; Reengineering; Organizational processes; BPM
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Adapting, reacting, or proacting? Complexity science at the service of management in public sector organizations</b>
Date	January, 2015 – January, 2017
Keywords	Organizational adaptiveness; Organizational change; Complexity management
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Complexity within Public Administration</b>
Date	January, 2014 – January, 2016
Keywords	Complexity management; Complexity theory; Public Governance
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Smart community. Governance of territories in the co-production perspective</b>
Date	January, 2014 – January, 2016
Keywords	Public services' innovation; Territorial innovation; smartness and urban sustainability

Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Change in complex organizations: an integrated approach</b>
Date	January, 2014 – January, 2016
Keywords	Change Management; Organizational Inertia; Complexity theory; Chaos theory; Organizational evolution and adaptiveness
Institution	Interdepartmental Centre for the Research in Economics, Management and Law of Public Sector Organizations (CIRPA), University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Motivation at work in public sector organizations: an integrated model</b>
Date	January, 2014 – January, 2016
Keywords	Public service motivation; Stress and organizational burnout; Human resource management; Psychological contract
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Smart Cities, Healthy Cities: an integrated approach for growth, competitiveness and territorial sustainability</b>
Date	January, 2013 – January, 2015
Keywords	Smart cities; Healthy cities; Innovative governance; Local competitiveness; Environmental sustainability; Equity
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Decision-making in organizations: a holistic perspective</b>
Date	January, 2013 – January, 2015
Keywords	Organizational decision making; Organizational conflict; Negotiation
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Complexity management: a systemic approach applied to public sector organizations</b>
Date	January, 2013 – January, 2015
Keywords	Systemic management; System dynamics; Complexity Management
Institution	Interdepartmental Centre for the Research in Economics, Management and Law of Public Sector Organizations (CIRPA), University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Creation of smartness in port cities: theoretical aspects and empirical evidence</b>
Date	January, 2013 – January, 2015
Keywords	Supply Chain Management; Port Supply Chain; Smart cities; Smart port cities
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>The role of welfare in managing municipalities: some empirical applications</b>
Date	January, 2012 – January, 2014
Keywords	Human resource management; Public Service Motivation; Organizational climate
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy
Research group	<b>Gender and Health in modern Welfare systems</b>
Date	January, 2012 – January, 2014
Keywords	Health determinants; Gender inequity; Organizational well-being
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy

Research group	<b>Health literacy as a tool of health care management: models and applications</b>																							
Date	January, 2012 – January, 2014																							
Keywords	Health literacy; Self-care; Health status self-management; Organizational health literacy																							
Institution	Interdepartmental Centre for the Research in Economics, Management and Law of Public Sector Organizations (CIRPA), University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy																							
Research group	<b>Complexity management applied to public sector organizations</b>																							
Date	January, 2011 – January, 2013																							
Keywords	System thinking; Complexity Management; System dynamics; Performance management; Organizational change management																							
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy																							
Research group	<b>Health literacy: measurement tools and gender analysis</b>																							
Date	January, 2011 – January, 2013																							
Keywords	Health determinants; Health literacy; Gender disparities; Organizational health literacy; Essential levels of care																							
Institution	Department of Management & Innovation Systems, University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy																							
Research group	<b>Reformed penitentiary care: institutional aspects and organizational implications</b>																							
Date	January, 2011 – January, 2013																							
Keywords	Institutional changes; Organizational changes; Penitentiary care; Organizational change management; Isomorphism																							
Institution	Interdepartmental Centre for the Research in Economics, Management and Law of Public Sector Organizations (CIRPA), University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy																							
Research group	<b>Activation of a Stroke Unit in the hospital “Madonna delle Grazie”, Matera, Italy</b>																							
Date	September, 2011 – July, 2012																							
Keywords	Establishment of a new organizational unit within the chart of a health care organization: strategic and managerial drawbacks; Integrated care; Inter-organizational relationships																							
Institution	Master in Management of Health Care Organization (DAOSan - Direzione delle Aziende e delle Organizzazioni Sanitarie), University of Salerno, Via Giovanni Paolo II, no. 132, 84084, Fisciano, Salerno, Italy

**Social Abilities and Skills**

I am dynamic and extroverted. I prefer to build friendly relations in my work environment. Indeed, I consider inter-personal relations a fundamental ingredient of the recipe for enhance organizational performance. I believe in team work as a tool which improves organizational well-being and increases the reach of organizations. Frankness, sincerity, openness and respect are the values which better describe my work behavior.

**Organizational skills and abilities**

During my past academic and work experiences I have developed a strong ability to perform in teams as both a leader and a follower. I think that team work unleashes the individual potential and paves the way for greater organizational performances. I am able to manage work stress and time pressures, striving to do my best in every circumstance. I am ready to take responsibilities and to account for the activities performed and results achieved. I am aware of my own potential and I am motivated to push forward my current achievements.

**Technical skills and abilities**

I have a good experience as a team leader in the management of international cooperation projects. I am proficient in planning, programming and implementing research activities, as well as in realizing tailored projects for public sector organizations and non-profit entities. Also, I have a good expertise in the field of accounting and evaluation. Lastly, yet importantly, I have been involved in several *fund raising* campaigns and in the organization of events intended to obtain funds to finance social initiatives.

**Digital skills and abilities**

I am proficient in performing all basic activities with a personal computer. I daily use the programmes of the "Microsoft Office" suite. I am able to handle some software for statistics elaboration, including SPSS and E-Views. I access at least 5 hours a day the internet and I am proficient in performing data query and analysis in the main academic databases and research repositories. I am able to properly use video and audio editing software. Lastly, I am an expert videogamer.

**Artistic abilities**

When I was a teen-ager, I played the flute and the clarinet, participating in the artistic performances of several groups active in the Province of Salerno. I performed as an actor since I was 25 years hold, acting in both vernacular comedies and in classic tragedies (such as drama by Euripide and Sofocle. Also, I was used to write poetries in the past, winning several local contests.

**Driving licence**

Type "B" driving licence
